Brant Dahlfors and Mark Bloomer

Mark Bloomer and Brant Dahlfors lead by example, having established reputations for perceptive market intelligence, trusted industry relationships, and personalized customer service. Their combined record of over 1600 new and pre-owned business jet transactions completed around the globe, supports Bloomer deVere Dahlfors' prominent position in today's evolving aviation marketplace.

After completing his education in aviation technology with a minor in business and business law at Purdue University, Mark, a multi-rated airline transport pilot, started his successful business aircraft sales career as a factory marketing representative at Cessna Aircraft Company before founding Bloomer deVere.

Brant, a multi-rated commercial pilot, graduated from Wright State University before joining Beech Aircraft. He continued his career with Mooney Aircraft and TBM North America before 20 years with Bombardier Aerospace leading the N. America sales division. Brant currently serves on the NBAA BAM Committee.

Mark, Brant and the Bloomer deVere Dahlfors Team deliver a state-of-the-art portfolio of products and services designed to support all aspects of a worldwide business jet transaction.

We welcome the opportunity to earn your business.
