INTERIOR – A new interior and veneer were completed by Duncan Aviation in 2011 and updated in 2012. This included new carpeting, upholstery, valance and window panels, passenger chairs, divan, conference table pads, lavatory door & seating, baggage door, and pilot chairs. The cabin monitors were replaced with LCD screens. An Apple docking unit and Blue-Ray DVD player were also incorporated.

12 passenger executive configuration featuring 4 place divan opposite of 2 place club in the forward cabin, 2 single chairs in the mid cabin, and aft 4 place conference arrangement opposite a credenza. Aft galley with forward crew refreshment. Forward crew lav & aft lav. Gray carpet that is complimentary to the crème colored leather seats, suede headliner, and high gloss, medium color of the cabinetry.

EXTERIOR – Aircraft was painted overall Matterhorn white with black and gray accent striping in 2010 by Duncan Aviation. In 2012, the gray accent striping was replaced with a yellow accent strip.
